TO SYED ABDUL ALEEM, Esq, B A,
SECRETARY TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE,
REVENUE DEPARTMENT, BANGALORE

SIR,

the post of the Special Land Acquisition Officer,
Re Mr M Srinivasalu Naidu, posted to the Trust Board Office.

With reference to your letter No L 12941 dated the 21st May 1946 and in continuation of this office No Al.C-343/45-46 dated the 12th ²⁻¹¹⁻⁴⁶ September 1946 stating that the present Special Land Acquisition Officer Mr M Srinivasalu Naidu has been entrusted with the work of general acquisitions as well, in addition to those pertaining to the Straight Road Scheme, ordered by Government, I have the honour to inform you that he has already completed the acquisition proceedings with regard to the 74 properties relating to I & II Stages of the Straight Road Scheme and passed awards. In some cases, where possession of the properties has been given, payments have also been made. In other cases where possession of the properties is not yet given to the Trust Board, award amounts have not been disbursed.

2 With regard to ordinary acquisitions, action has already been taken by him in almost all cases (viz, 158 cases). Seven more cases are pending. In respect of these seven cases also, ~~three~~ have been kept for the the Minister's inspection, notices issued to parties in respect of 2 other cases and award passed and under consideration of the undersigned in respect of another proposal and one case is going to be settled this month.

3 There are four more fresh cases for which sanction of Government has been received and which have to be pursued. There are about 16 cases, which have been approved by the Trust Board, but on which Government orders will have to be received. It will take fairly a long time before actual acquisition proceedings and issue of awards can be taken up thereon.

4 With regard to acquisition of properties coming within the III & IV Stages of the Straight Road Scheme, it was submitted to the Dewan during his inspection of the City on 15th June 1947, that owners of the properties

P T.O

2.

lying in this area had represented that great inconvenience would be caused to them if their properties were acquired immediately as they would become houseless. The Dewan was pleased to say that the matter may be brought to the notice of Government. In these circumstances the III & IV Stages of the Scheme may perhaps be postponed till all the works connected with the I & II Stages (viz, dismantling of all the acquired buildings, formation of the Circle and foot-paths, lay-out of shop sites and other necessary works around the Statue) are all completed in every respect, and the present dishoused persons provided with accommodation. If the above suggestion meets with the approval of the Government, then there will not be enough work for a full time Special Land Acquisition Officer from 15th July 1947. In his place, it would be sufficient if a part-time Acquisition Officer is appointed for the purpose of pursuing a few cases already on hand and to deal with fresh ordinary acquisition cases. Prior to 1st July 1946, the Personal Assistant to the Mysore District Deputy Commissioner had been appointed as a part-time Land Acquisition Officer for the Trust Board on a monthly allowance of R 50/-. The same procedure may be revived from 1st August 1947, instead of having a whole-time Special Land Acquisition Officer of the Status of an Assistant Commissioner for this purpose. The favour of very early orders is requested on this point, so that it may be given effect ^{to} from 15th July 1947. It is brought to notice that there is no place for a whole-time Special Land Acquisition Officer for the Straight Road Scheme from 1st January 1947 alone, but he has been continued here to look to ordinary acquisition cases as well in addition to those of Straight Road Scheme as ordered in letter No L 12941 dated 21.5-1947 from the Revenue Secretary to Government.

In this connection, mention may be made that the presence of Mr M Srinivasalu Naidu, in Mysore City would be desirable for the reason that in most of the cases pertaining to the acquisition of Straight Road Scheme the parties have gone or are going to the Court for enhancements. When these cases come up for hearing the Special Land Acquisition Officer who awarded the amounts will have to appear before the Court. As the cases referred or to be referred to the Court are very large, ^{and} each case will be prolonged in the Court, it will be necessary for the Land Acquisition Officer to be coming here frequently not only at a very ^{heavy} cost to Government by way

3.

of travelling allowance but also at much inconvenience to his legitimate duties elsewhere. With a view to avoid all these, the following suggestions are made

The Mysore City Rationing Officer is going to retire from service on 14-7-1947. If Mr. Srinivasulu Reddy is appointed in that place, he will remain in Mysore City only and will be able to attend the Court whenever required. Further, it will be possible for this office to unofficially consult him with regard to matters which he has dealt with in this office. If the Government agree to this proposal, orders may kindly be issued to be issued posting him as the Mysore City Rationing Officer.

The favour of very early orders is requested.

I have the honour to be,

Your most obedient servant,

Chairman.

Subject - Appointment of part-time Land Acquisition Officer.

In continuation of this office No B2.C.1027/42-43 dated 27th June 1947, I have the honour to state that after the full time Land Acquisition Officer Mr M.Srinivasalu Naidu, B.A., was transferred as Ration Officer to the Mysore City, many acquisition cases are pending without further action being taken and as such the services of a part-time Officer are immediately required in the interest of work.

I may state in this connection that though the previous procedure followed was to appoint the Personal Assistant to the Deputy Commissioner, Mysore District as part-time Land Acquisition Officer, it seems more desirable to draft the services of Mr M.Srinivasalu Naidu, B.A., for this purpose firstly because he is conversant with all the details of acquisition work in the Trust Board during his tenure as full time Officer and secondly because it is more conducive to smoothness of work inasmuch as the City Ration Officer is under the direct control of the Chief Rationing Officer who is also the Chairman of the City Improvement Trust Board. Further number of important and major acquisition cases in connection with the acquisition of properties recently effected for the Straight Road Scheme are likely to go to the Court in appeal for the enhancement of amounts awarded as compensation. The services of this Officer who himself has passed the awards in such cases will no doubt be advantageous to safeguard the interests

of Government. The extra work that devolves on the Officer will not in any appreciable measure affect his work as Ration Officer, since most of the work connected with the latter office is more or less standardised and he can usefully employ his inspection rounds in the City for both purposes without any difficulty.

All these points were also personally explained to the Minister for Education and Public Health during a personal discussion on 22-8-1947 when you were also present. I, therefore, request that orders of Government may kindly be issued very early to appoint Mr. M. Srinivasalu Naidu, B.A., as part-time Land Acquisition Officer with the usual powers delegated to him under the Act and usual allowances paid to him for such work.

OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE,
Bangalore, dated 19th September 1947

*Mr. Abdul Aleem Esq, B A ,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore*

Subject -Placing the Personal Assistant
to the Deputy Commissioner, Mysore Dist
in additional charge of the Land Acquisi-
tion work pertaining to the Trust Board,
Mysore

With reference to your letter No L 2853 dated 20th August 1947 asking for my opinion as to whether the Personal Assistant to the Deputy Commissioner, Mysore District, may be placed in additional charge of the Land Acquisition work pertaining to the Trust Board in Mysore City, and to your subsequent letter No L 8671 dated 3rd September 1947, whether Mr M Srinivasalu Naidu, Ration Officer, Mysore City, may be appointed as part time, Land Acquisition Officer of the said Board, I have the honour to state that it may not be desirable to entrust this work to the Rationing Officer in view of the important and difficult work that he has to do. Amidst his work as rationing officer he may not find time to attend to the Land Acquisition work

As regards your first proposal, the Deputy Commissioner, Mysore District, was consulted in the matter. I enclose herewith a copy of letter No D4 P R 85/47-48 dated 11th September 1947 received from him stating that his personal Assistant may be placed in additional charge of the said work

In these circumstances, I am of opinion that the Personal Assistant to the Deputy Commissioner, Mysore District, may be placed in additional charge of the said work with a D A of Rs.50/- per month for the additional work involved

I have the honour to be,

Sir,

Your most obedient servant,

REVENUE COMMISSIONER
